

Serial No. 10/077,493
January 23, 2004

Amendments to the Specification:

After the Title of the invention, please insert the following new paragraph and paragraph heading:

--Related Applications

This application is a continuation of U.S. Patent Application Serial No. 09/647,110, filed January 11, 2001, now abandoned.--

Please amend the paragraph which begins on page 9, line 20 of the specification as shown below:

It will be appreciated that the invention embraces within its scope the use of the compositions defined above. Thus, according to a fifth aspect, the present invention provides a method of enhancing cognitive function which comprises administering to a human or animal an effective dosage of a composition of the invention. ~~The active agent or agents may, for example, be administered in a food product or beverage.~~
